

ELECTRICAL EQUIPMENT

When reliable, efficient power is non-negotiable, Bee Access delivers. Our premium line of Electrical Equipment is engineered to keep your operations running safely, smoothly and without interruption. From essential electrical supplies to high-performance accessories, our curated selection ensures you always have the right tools to keep your equipment energized and your projects on track.

Transformers

Dial In Your Power with our buck-boost and step-down transformers. We carry a full line from 1kVA to 30 kVA made from rugged steel construction with a durable powder-coat finish.

- **Features:** Carrying handle for easy transportation. Weather & tamperproof.
- **Available:** 1kVA to 30 kV, 1 & 3 phase transformers available
- **Construction:** Steel
- **Finish:** Powder Coated
- **Standards:** UL & CUL compliant

Power Cords

Our power cords are customizable to your specifications and engineered for tough jobsite conditions. Made from heavy-duty SOOW cable, they're available with your choice of plugs, connectors, boots and strainrelief.

- **Voltage:** 250V
- **Power Cord Rating:** 8/4 or 10/3 SOOW options
- **Stocked Length:** 100 ft, 150 ft, 250 ft boxed or 1,000 ft spool
- **Available Finish:** Plugs, connectors, boots & Kellem strain relief grips

Electric Yokes

T-Yoke splitters make it easy to power multi-hoist platforms and eliminate the need for extra power cords and added weight.

- **Features:** Built to withstand extreme conditions, water, flame and -40°F weather. Built-in strain relief anchor ensures durability and secure operation.
- **Power Cord Spec:** 10/3 SOOW
- **Power Cord Voltage:** 600V Rated
- **Plug Amps:** 20A or 30A
- **Lengths:** 50 ft

Plugs & Connectors

Engineered for quality, performance and durability—backed by U.S. manufacturing. Our full line of plugs, & connectors are available in 20A & 30A ratings and 125V–600V options.

- **Available:** Plugs, connectors & boots
- **Current Rating:** 20A & 30A
- **Voltage:** 125V – 600V

Remote Controls

Take control from anywhere with our line of remote controls. Chose from standard or custom cable lengths for maximum mobility.

- **Features:** Meet NEMA IP65 weather proofing standards
- **Safety Operation:** Push Up/Down with an Emergency Stop Button
- **Cable Length:** Standard & Custom Length
- **Midrail hanging bracket:** Included with most models
- **Different plug options:** Available based on hoist version

Strainrelief

Protect plug connections and extend cord life with durable strainreliefs—designed to support the weight of suspended power cords and reduce stress points. Easy to install, remove, and reuse, and available in multiple color options for easy identification.

- **Features:** Easily removed and reusable
- **Available Colors:** Blue, Green, Red & Yellow

ELECTRICAL EQUIPMENT

TRANSFORMER

Part Number	Description
836127	Transformer, 208V-456V, 3ph, 9kVA
836128	Transformer, 208V-456V, 3ph, 15kVA
836130	Transformer, 208V-456V, 3ph, 30kVA
TFBB-1K-10PCNT-20A	Transformer, 10% Buck Boost, 1kVA, 20A Plugs
TFBB-1.5K-10PCNT-20A	Transformer, 10% Buck Boost, 1.5kVA, 20A Plugs
TFSD3KVA20A	Transformer, Stepdown 3kVA, 20A Plugs
TFSD3KVA20AB	Transformer, Stepdown 3kVA, 20A Plugs+Boots
TFSD3KVA30A	Transformer, Stepdown 3kVA, 30A Plugs
TFSD3KVA30AB	Transformer, Stepdown 3kVA, 30A Plugs+Boots

REMOTE CONTROLS

Part Number	Description
836306	Remote Control, BISOMAC, 6ft v1
836312	Remote Control, BISOMAC, 12ft v1
836320	Remote Control, BISOMAC, 20ft v1
836330	Remote Control, BISOMAC, 30ft v1
836350	Remote Control, BISOMAC, 50ft v1
836306V2	Remote Control, BISOMAC, 6ft, v2 Plastic
836312V2	Remote Control, BISOMAC, 12ft, v2 Plastic
836320V2	Remote Control, BISOMAC, 20ft, v2 Plastic
836330V2	Remote Control, BISOMAC, 30ft, v2 Plastic
836350V2	Remote Control, BISOMAC, 50ft, v2 Plastic
836381V2	Remote Control, BISOMAC, 100ft, v2 Plastic
836385V2	Remote Control, BISOMAC, 150ft, v2 Plastic
836388V2	Remote Control, BISOMAC, 200ft, v2 Plastic
836306M	Remote Control, BISOMAC, 6ft, v2 Metal
836312M	Remote Control, BISOMAC, 12ft, v2 Metal
836320M	Remote Control, BISOMAC, 20ft, v2 Metal
836330M	Remote Control, BISOMAC, 30ft, v2 Metal
836350M	Remote Control, BISOMAC, 50ft, v2 Metal
936109	Remote Control, Dual Hoist, Universal
936110	Remote Control, Triple Hoist, Universal
936120	Wireless Remote, Sngl Hoist, 330ft
936120T	Wireless Remote Transmitter
936120RE	Wireless Remote Range Ext to 990ft

POWER CORDS

Part Number	Description
ECI103-250-G	Power Cord, 10/3 SOOW, BLK 250ft Box
ECI103-1000-G	Power Cord, 10/3 SOOW, BLK 1000ft Reel
ECI103-1000-G-GRN	Power Cord, 10/3 SOOW, GRN 1000ft Reel
FCS-103-100-20A-PC	Power Cord, 10/3 20A Plugs, BLK, 100ft
FCS-103-100-20A-PCB	Power Cord, 10/3 20A Plugs+Boots, BLK, 100ft
FCS-103-150-20A-PC	Power Cord, 10/3 20A Plugs, BLK, 150ft
FCS-103-250-20A-PC	Power Cord, 10/3 20A Plugs, BLK, 250ft
FCS-103-250-20A-PCB	Power Cord, 10/3 20A Plugs+Boots, BLK, 250ft
FCS-103-250-30A-PCB	Power Cord, 10/3 30A Plugs+Boots, BLK, 250ft
EC104-CC	Power Cord, 10/4 SOOW, BLK 1ft

ELECTRIC YOKES

Part Number	Description
EY-50 YOKE-SUB-P	Yoke, 10/3, 50ft, Blunt
FCS-YOKE-20A-P2C	Yoke, 20A Plugs, 50ft
FCS-YOKE-20A-P2CB	Yoke, 20A Plugs+Boots, 50ft
FCS-YOKE-50-30A-P2CB	Yoke, 30A Plugs+Boots, 50ft

PLUGS & CONNECTORS

Part Number	Description
EP106-HBL 2321	Plug, 1ph, 20A/250V
EP106-HBL 2323	Connector, 1ph, 20A/250V
EP106-HBL 2421	Plug, 3ph, 20A/250V
EP106-HBL 2423	Connector, 3ph, 20A/250V
EP106-HBL 2621	Plug, 1ph, 30A/250V
EP106-HBL 2623	Connector, 1ph, 30A/250V
EP106-HBL 2711	Plug, 3ph, 30A/125-250V
EP106-HBL 2721	Plug, 3ph, 30A/250V
EP106-HBL 2723	Connector, 3ph, 30A/250V

STRAINRELIEF

Part Number	Description
EP106-PCSR-B	Strainrelief Assy, Blue
EP106-PCSR-G	Strainrelief Assy, Green
EP106-SC ZCS1894	Kellem, Sngl Eye, Clsd Mesh, 0.63-0.74in, SS
